

CUSTOMER INFORMATION BULLETIN

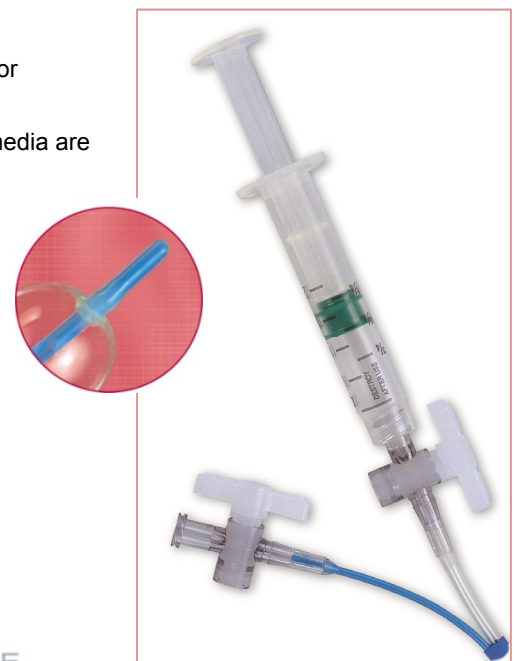

Rocket HSG, HyCoSy & Sonohystogram Catheters

Dear Customer,

With immediate effect, all Rocket HSG Catheters are fully available directly from our preferred logistics partner CH2. These product were formally distributed by Gytech Pty.

Rocket HSG, HyCoSy & Sonohystogram Catheters still have these well-established and trusted features:

- **LATEX FREE** balloon minimises risk of patient tissue reactions.
- **REMOVABLE STIFFENING SHEATH** to aid insertion in the heavily retroverted or antiverted cervix.
- **CONTRAST PATH TAP** ensures retention of contrast when further volumes of media are required.
- **SMOOTH TIP & LOW PROFILE BALLOON** ensures low trauma insertion and removal – ideal for the nulliparous cervix.
- **INTEGRAL WIRE STYLET** for improved malleability without using tiresome removable stylets
 - Improves ease of insertion
 - Increased value for money
- **COMPATIBLE** with all aqueous based contrast media.
- **AVAILABLE FROM OUR PREFERRED AUSTRALIA LOGISITICS PARTNER**
