

CUSTOMER INFORMATION BULLETIN

Future ordering of NuSurgix products

Dear Customer,

Following the acquisition of NuSurgix Ltd by Rocket Medical plc on 21st Jan 2014, the Customer Services and Quality Assurance functions will be transferred to Rocket on **1st March 2014**.

As a result, all future orders for the NuSurgix products listed below should now be made via **Rocket Medical Customer Services**.

The transfer of these products into our control systems will also require a change of order code as per the table below. Please use the new codes when ordering.

NuSurgix Code	Description	Rocket Code
