

Discontinuation of Needle Guide Packs

Dear Customer,

Rocket Medical manufactures Needle Guides and Needle Guide Packs (with probe cover, gel and securing bands), for use during oocyte retrieval and prostate biopsy procedures.

Following a review, we have made the decision to discontinue our Needle Guide Packs. We sincerely apologise for any inconvenience that this may cause. The Needle Guides remain available for purchase as standalone products.

Discontinuation is with immediate effect. If you have any queries, please do not hesitate to contact us.
