

Rocket[®] KCH Fetal Bladder Catheter

Dear Customer,

We are investigating a non-conformance in the manufacture of the KCH Fetal Bladder Catheter, product code R57405. We are temporarily unable to supply the device. Devices in the field can continue to be used.

If you have procedures scheduled and need to place an order, we recommend that you contact Cook Medical at this time.

We will post further updates as they become available.

If you have any questions please contact our Customer Services Team for assistance:
