

Supply of Rocket[®] Uripot and Urikone with Wipe

Dear Customer,

We are temporarily unable to supply Uripots or Urikone collection devices with wipes whilst we resolve a manufacturing issue. Equivalent products without wipes are not affected; however, due to an increased level of demand during this period, delays to supply may occur. Please contact customer services for up to date information regarding the availability of alternative products.

We anticipate being able to resupply Uripots and Urikones with wipes by the end of April.

A list of affected codes, together with their suggested alternative is shown below.
