Dear Customer

Following a review of our product lines we have made the decision to discontinue all products from the Bone Marrowgauge Aspiration Biopsy and Trepine Needle Range.

If you wish to purchase any additional bone marrow needles before they are discontinued, please ensure that your order is submitted by the end of May. Any stock remaining in our warehouse after final orders are fulfilled will remain available for sale on a first come first served basis, until sold through or until 31st August, 2022 (if stock remains).
