

Dear Customer,

Following a review of our Colorectal products, we have taken the decision to discontinue R53703, Band-It™ Haemorrhoid Ligator from our product portfolio. We sincerely apologise for any inconvenience that this may cause.

If you wish to purchase any additional ligators before they are discontinued, please ensure that your order is submitted by the end of April. Please note that the shelf-life of this product is 12 months. Any stock remaining in our warehouse after final orders are fulfilled will remain available for sale on a first come first served basis, until sold through or until 31st August, 2022 (if stock remains).
