Temporary Supply Issue for Rocket Medical® Pleural Vent™ (R54565)

Dear Customer,

The Rocket Medical Pleural Vent™ is currently unavailable due to a manufacturing supply issue.

This affects the following product:

| CODE | DESCRIPTION |
|---------------|-------------------------------|
| R54565 | Rocket Medical® Pleural Vent™ |

We are working to resolve the problem and to resume supply as soon as possible. The process will require validation, once resolved, and this will take some time. We anticipate it being approximately 6 months before supply can resume.

As an alternative therapy option, we recommend the Rocket Ambulatory Chest Drainage Bag (R54564); Combined with either the Rocket Thoracentesis 8Fg Catheter (R51551-08-00) or the Rocket 12Fg Seldinger Chest Drainage Catheter (R54544-12-00 / R54544-12-SG / R54544-12-PK).
