

Rocket® Multipurpose Drainage Catheters

Ascites Drainage

- **PLAIN, 6 HOLE** classic pigtail catheter for reliable insertion and drainage
- **EasyTip™ CORE** to prevent ruckle-back, minimising resistance during insertion; reducing discomfort and speeding correct placement .
- **SOFT, KINK FREE** catheter material, improves patient comfort and prevents unnecessary catheter replacement caused by harder, 'kink resistant' materials.
- **COMPLETE WITH THREE PART** trocar, sheath and blunt obturator introducer set for wireguides or direct stab insertion
- **COMPLETE WITH BAG CONNECTION SET** to reduce costs and make Rocket MPD Catheters even better value for your department or ward. Supplied sterile in cartons of 10 units, for single use.

Rocket® Multipurpose Pigtail Drainage Sets & Catheters

Rocket Medical offer a cost effective solution to the challenge of maintaining a soft, kink free material with the need to prevent 'ruckle-back' during insertion.
